WHO WE ARE?

Copiafax Ghana Limited is a diversified Construction Company with a Team of Experienced and Dedicated Professionals who undertake Projects ranging from Small Scale Construction Works to Large Scale Construction Works.

COPIAFAX was created in 1998 in Burkina Faso by Mr. Pascal Kodjo TIGAHIRE. The Company is committed to providing the Public and Private Sectors with the Highest Level of Infrastructure Development across Africa.

Our Services include Building and Construction, Public Works, Construction of Roads, Bridges and Gutters. COPIAFAX is the very soul of the Group.

MISSION & VISION

- **Our Mission**

Provide Customers with Quality Work and Service and **Maintain** the highest level of Professionalism, honesty and fairness in our dealings with our customers.

- **Our Vision**

To be the Preferred Contractor of Choice, a Company our customers want to do business with.

- **Tagline**

Create Nuances of Value.

ABOUT THE CHAIRMAN

MR. PASCAL KODJO TIGAHIRE

Pascal TIGAHIRE is the Founder and Managing Director of COPIAFAX, a member of the Groupe d'Entreprises Tigahiré Pascal et Fils (ETIPAF) comprising more than 8 Companies offering Services in the following Domains.

- Buildings and public works
- Mining
- Gold Trading
- Financing Institution
- Air Transport
- Land transportation
- Sale of Luxury Cars

The assets of the ETIPAF Group amount to more than 342 MILLION USD. COPIAFAX Ghana Ltd has been in existence for more than 6 years and the Equity of the Parent Company COPIAFAX amounts to more than 85 MILLION USD of which Pascal TIGAHIRE is the Holder of all the Shares.

Thanks to its Privileged Relations with Local and International Financial Institutions, COPIAFAX manages to raise funds for any Public Private Partnership Project (PPP) in the sub-region and internationally.

Through his Commitment to Excellence and Dedication to Professionalism, Pascal TIGAHIRE and COPIAFAX have continued to exceed Industry Standards by forming Strong Professional Partnerships based on Integrity, Ingenuity and Reliability. These characteristics, along with a deep-rooted connection to Africa, have enabled him and his Company to become one of the most recognized and respected names in the Construction Industry.

Apart from Business, he is also a Man committed to Humanitarian Affairs.

Indeed, Mr Pascal TIGAHIRE makes his heart speak whenever the opportunity arises through several social actions for disadvantaged and deprived populations in West Africa, going so far as to build a whole road that he graciously offered to Burkina Faso.

As part of his actions in favor of the Economic and Social Development of Burkina Faso, Mr Pascal TIGAHIRE was Elevated to the rank of KNIGHT OF THE ORDER OF MERIT in 2002 and OFFICER OF THE NATIONAL ORDER in 2009 by the Government of Burkina Faso.

Our Services

With decades of experience under our belt, we provide complete customer satisfaction. We specialize in construction and civil engineering for national and international clients.

BUILDING & CONSTRUCTION

Copiafax Ghana Limited is one of the leading Building Construction companies in Africa. We excel in the realization of new Complex Construction and Renovation Projects.

We build and upgrade Infrastructure for Private and Public Sector Clients across Africa. Our experience, Processes and Construction Expertise give our Clients the certainty that every aspect of their Project will be executed to the Highest Standards, on time, on budget. Our goal is to build world-class Institutions, and our team of Builders and Engineers maintain a Customer-focused approach, allowing us to exceed your expectations.

We undertake the Construction of Hospitals, Schools, Offices and Residential Housing for our Clients.

ROAD CONSTRUCTION

Copiafax Ghana Limited provides road construction services for commercial, industrial and government projects, we build the best asphalt roads in Africa.

We work with our clients to plan and deliver road projects ranging from major road projects, local roads, to remote access road networks for mining sites and farming communities. We do this in collaboration with government agencies, design consultants and stakeholders to ensure maximum benefits to beneficiary communities.

CIVIL WORKS

With over 23 years of experience, we have successfully completed some of the largest and most complex civil construction projects across the country and Africa.

With a history dating back to 1998, our heritage has been built on a solid foundation of Quality Services, Industrial Expertise and Innovative Technologies. Our commitment to quality and value enables us to provide Top Service every time.

BRIDGES CONSTRUCTION

Au fil de nos années de Pratique, nous avons développé de réelles Compétences dans la construction de grands ouvrages tels que les ponts.

Partant des Ponts les plus simples reliant des zones rurales ou reliant des zones rurales à des zones urbaines ; jusqu'aux Ponts les plus complexes et délicats, nous mettons a votre disposition les meilleures Ressources humaines et logistiques nécessaires pour nous permettre de venir a bout de vos projets de constructions de ponts, peu importe l'Environnement.

Nous sommes des experts en Génie Civil, ce qui nous donne d'être présent sur les plateformes des plus grandes opportunités de Constructions de Grande Envergure à travers le Continent Africain.

Alors n'hésitez pas a nous contacter pour votre prochain Projet.

WHY WORK WITH US?

At COPIAFAX, we are a big family. Our Collaborators come from all over the world, without any distinction of their origin, their gender, their religious and political convictions.

We highlight the Competence and the Will to adhere to our Values of the People who wish to work with us.

We help to reduce Unemployment everywhere in West Africa because we do not hesitate to recruit on the local job market of each country in which we have Projects to carry out.

We import few skills from outside because we believe that Africa is full of enormous potential in this area and it is a pleasure for us to demonstrate this through the Quality and Reliability of the work that we deliver to our Clients.
